

MODEL **2610-049**

INSTRUCTION MANUAL
6-SPEED HAND/STAND MIXER

PLEASE READ ALL INSTRUCTIONS BEFORE USING THIS APPLIANCE

IMPORTANT SAFEGUARDS

When using electrical appliances, basic safety precautions should always be followed, including the following:

1. **READ ALL INSTRUCTIONS BEFORE USE.**
2. To protect against risk of electrical shock, **DO NOT** put hand/stand mixer in water or other liquid. This may cause personal injury and/or damage to the product.
3. To disconnect, turn off controls and unplug from outlet.
4. Unplug from outlet while not in use, before putting on or taking off parts and before cleaning.
5. Avoid contact with moving parts. Keep hands, hair, clothing, as well as spatulas and other utensils away from beaters during operation to reduce the risk of injury to persons and/or damage to the hand/stand mixer.
6. **DO NOT** operate hand/stand mixer with a damaged cord or plug, after the appliance malfunctions, or if it is dropped or damaged in any manner. Return appliance to the nearest Authorized Oster® Service Center for examination, repair or electrical or mechanical adjustment.
7. The use of attachments not recommended or sold by manufacturer may cause fire, electrical shock or injury.
8. **DO NOT** let cord hang over edge of table or countertop.
9. **DO NOT** let cord touch hot surfaces, including a stove.
10. **DO NOT** use outdoors or for commercial purposes.
11. Remove beaters/dough hooks from hand/stand mixer before washing them.
12. **DO NOT** place hand/stand mixer on or near a hot burner or in a heated oven.
13. **DO NOT** use hand/stand mixer for other than intended use.
14. **DO NOT** leave hand/stand mixer unattended while it is operating.
15. Maximum running time for product is 5 continuous minutes.
16. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the appliance.
17. Close supervision is necessary when any appliance is used by or near children, or incapacitated individuals.
18. The instructions shall state that appliances are not intended to be operated by means of an external timer or separate remote-control system.

THIS UNIT IS FOR HOUSEHOLD USE ONLY.

SAVE THESE INSTRUCTIONS

POWER CORD SPECIAL INSTRUCTIONS

A short power-supply cord is provided to reduce the risk resulting from becoming entangled in or tripping over a longer cord. An extension cord may be used if care is exercised in its use. If an extension cord is used, the electrical rating of the cord must be at least as great as the electrical rating of the appliance. The extension cord should be arranged so that it will not drape over the countertop or tabletop where it can be pulled on by children or tripped over unintentionally.

WELCOME

Congratulations on your purchase of an OSTER® Hand Mixer!
To learn more about OSTER® products, please visit us at www.oster.in.

DESCRIPTION OF THE APPLIANCE

1. On/Off Speed Control – Beater Eject Button
2. Thumb Tab
3. Burst of Power Button
4. Beaters
5. Large Drive Hole
6. Mixer
7. Raise/ Lower Button
8. Lock & Release Latch
9. Mixer Stand
10. Mixing Bowl
11. Dough Hooks

LEARNING YOUR HAND/STAND MIXER

You can use the Mixer to mix and knead. The Mixer can be easily removed from the stand in a moment and used as a standard Hand Mixer.

PREPARING FOR USE

Placing and securing the Mixer to the stand (figure 2).

(figure 2)

Before placing and securing the Mixer to the stand, switch unit off "0" and unplug from the electrical outlet. Place the grooves located in the bottom of the Hand Mixer (see figure 2) onto the tips of the holding base of the stand. Then push the back of the Hand Mixer down until it locks into place with a click sound. To remove it, push the lower end of the Lock & Release Latch (🔒) and lift the Hand Mixer up then forward.

INSERTING/ EJECTING BEATERS & DOUGH HOOKS

Before releasing the Beaters or Dough Hooks, switch off the Mixer and remove the plug from the electrical outlet. Push the Beaters or Dough Hooks into the slots located under of the mixer, until they click into place. The two Dough Hooks have different plug shapes and must be pushed into the correct slots. Inserting the wrong way would lead the dough to "move" upwards. One of the Dough Hooks has an additional small ring near the collar on the shaft. This Dough Hook will only fit in the slot for which it is intended. To remove the accessories, hold firmly with one hand, while pressing the Beater Ejector Button (figure 3).

(figure 3)

RAISING/ LOWERING THE MIXER

Ensure the Mixer is switched off before raising/ lowering. Press the Raise/ Low Button (🔼/🔽) (figure 4) and lift the Mixer up or lower it until it clicks in place. This will facilitate removal of Beaters as well the Bowl.

(figure 4)

PLACING/ REMOVING THE MIXING BOWL

Place the Mixing Bowl on the rotating plate of the Stand (figure 5) and latch in place by gently turning it clockwise. To remove it, turn it counterclockwise to unlatch. It may be necessary to hold the base to prevent it from rotating. The off-center position of the Mixer makes it easy to add ingredients while the Mixer is in operation.

(figure 5)

USING YOUR HAND/STAND MIXER

Before using your Hand/Stand Mixer for the first time, wash the Beaters, Dough Hooks and Bowl in hot/ soapy water, or the dishwasher. Rinse and dry. Be sure the speed controls are in the "0" position and the unit is unplugged from an electrical outlet. Plug cord into an electrical outlet. Insert Beaters as indicated above.

MIXING WITH THE STAND MIXER

The On/ Off Speed is used to switch the Mixer on and control the Mixer speed. For every speed selected, the Burst of Power Feature Button "Turbo" can be pressed and held when the appliance is in operation to achieve the maximum power within the selected speed. You can add ingredients to the bowl while mixing or switch it off, raise the mixer and then add the ingredients. Once you are done adding the ingredients, lower the mixer and start the mixing process again until you reach the desired consistency.

NOTE: The Mixer must not be run continuously for more than 5 minutes at a time. After this time, allow it to cool for at least 5 minutes before re-using.

MIXING WITH THE HAND MIXER

Remove Mixer from the stand, please refer to the instructions on the section "PLACING/ REMOVING THE MIXING BOWL". Turn mixer on and refer to speed guide for the correct setting. Slowly guide mixer around sides and through center of bowl, going in the same direction. Be careful not to overbeat the mixture. Overbeating tends to make some mixtures tough. Whenever scraping of the bowl is required, stop the mixer and scrape sides and bottom of bowl with a rubber spatula as needed. Turn speed control to the off position "0" and rest mixer on its heel rest while adding ingredients. Be sure to position beaters over mixing bowl so any dripping will fall back into mixing bowl. When mixing is complete, set the control to "1", and raise beaters slowly from batter to clean off clinging food. Be sure to unit to "0" before raising beaters completely out of mixing bowl.

BURST OF POWER FEATURE

The BURST OF POWER feature allows for an added boost to the selected speed setting at the press of the button "Turbo". During especially heavy mixing tasks, press the button to drive through the mixture with ease. Once the button is released, the mixer will return to the original speed setting.

EJECTING BEATERS

Be sure the control is in the off "0" position and cord is removed from electrical outlet. Scrape off any excess batter with a rubber spatula. Grasp the stems of the beaters with your hand and press the beater eject button. Beaters will release into your hand.

SPEED GUIDE FOR HAND/STAND MIXER

SPEED	MIXING TASKS	
1 or 2	Stir	Use when stirring liquid ingredients or when mixing dry and liquid ingredients together alternately in a recipe. Use when preparing any of the ready-prepared or packaged instant puddings.
3	Mix	Use when a recipe calls for combining ingredients together. Use for quick breads or muffins that require a brisk action, just enough to blend.
4	Blend	Use when preparing cake mixes or for directions calling for medium speed. Use to cream butter and sugar together.
5	Beat	Use when preparing a frosting from a recipe or package. Use when whipping cream for desserts.
6	Whip	Use to mash potatoes to develop a light and fluffy texture. Use when whipping egg whites.
Burst of Power "Turbo"	During especially heavy mixing tasks, press the button to drive through the mixture with ease.	

CARING FOR YOUR MIXER

CLEANING

Wash the beaters, dough hooks and mixing bowl before and after every use. The beaters and dough hooks may be washed in a dishwasher. After removing cord from electrical outlet, clean mixer head with a damp cloth and wipe dry. **DO NOT IMMERSE MIXER IN WATER.** This may cause electrical shock, injury or damage to the product. Avoid the use of abrasive cleaners that will damage the finish of your mixer.

STORAGE

Store the Hand/Stand Mixer on in a clean, dry location such as a cabinet or shelf. Store beaters and dough hooks in a drawer.

MAINTENANCE

The motor of your mixer has been carefully lubricated at the factory and does not require any additional lubricant. Other than the recommended cleaning, no further user maintenance should be necessary. If for any reason your hand mixer should require repairs, do not try to fix it yourself. Send it to the nearest Authorized Oster® Appliance Service Center.

WARRANTY

Jarden Consumer Solutions of India Private Limited (hereinafter referred to as “JCS”) warrants that, for a period of two (2) years from the date of purchase of this product as evidenced in the cash memo (“Warranty Period”), this product will be free from defects in material and workmanship (the “Warranty”). Please preserve the warranty card and the cash memo of the product duly stamped and signed by the dealer, as this will be required for any claims under this Warranty.

- The rights and benefits under this Warranty are additional to your statutory rights, which are not affected by this Warranty.
- During the Warranty Period, JCS, at its sole choice, will either repair or replace this product or any component of the product found to be defective free of cost through (the dealer from whom the product was purchased or through the service center listed in the card – business people to confirm), provided that:
 - JCS is promptly informed of the defect;
 - The product has not been altered in any way or subjected to misuse or repair by the person other than a person authorized by JCS;
 - This Warranty, duly filled, stamped and signed by the dealer is made available.
- The Warranty provided herein is towards the original purchaser and is not transferrable to any third party.
- Any repaired or replaced product will be warranted on these terms for the remaining portion of the Warranty in the country where the product was purchased.
- Liability for consequential loss or damage is neither accepted nor is it implied.
- This Warranty is in lieu of all others expressed or implied and does not cover the following:
 - a. If product was use in any manner other than the intended use.
 - b. If the product has not been used according to the instruction manual/user’s manual, included with the product.
 - c. If the defects are caused by improper use or reckless use.
 - d. If the product was altered or repaired by anyone other than those authorized by JCS.
 - e. If installation of the product is not done as per the printed instructions provided along with the product.
 - f. If the defects are caused by fire, flood, and other act of god.
 - g. If the defects are caused by use of incorrect current or voltage or faulty electric power supply.
 - h. Normal wear and tear of parts and accessories resulting from regular use.
 - i. Damage resulting from transportation, accidents, mishandling or negligence on the part of the consumer.
 - j. The following part/components:
 - Broken glass or ceramic parts
 - Light bulb
 - Accessories
 - k. If the product is put to industrial or commercial use.
 - JCS will not be responsible for any delay in servicing due to non-availability of any components or due to reasons beyond the control of JCS.
 - Any failure of the product to perform any purpose other than the intended purpose shall not be considered as a default under this warranty.
 - In any event, if JCS becomes liable for damages incurred in connection with these presents, then the liability of JCS will be limited to the amount equal to the sale invoice amount paid by you.

Waste electrical products should not be disposed off with household waste. Please recycle where facilities exist.
